RockAuto is an online, family business founded in 1999 by automotive engineers with two goals: Liberate the information hidden behind the auto parts store counter and make auto parts affordable. Today, RockAuto ships thousands of parts, from hundreds of manufacturers, to millions of customers all over the world, all at reliably low prices. And the RockAuto catalog keeps expanding. Someday, it may be possible to build an entire car using parts from RockAuto! Shop online today: <http://www.rockauto.com/?a=Carlisle>

EVENT SEASON HIGHLIGHTS

2020 ... what a unique year it has been. Due to the worldwide Covid-19 situation we all have faced many changes. Despite this, Carlisle Events has tried its best to keep the automotive hobby up and running. Some events have taken place on different dates than originally scheduled, activities at events have been changed, but one thing remains the same: the enthusiasm for automotive events and collector vehicles. We are very grateful for all enthusiasts of the automotive hobby that support Carlisle Events either by attending shows or sending supportive and positive messages. It has been a challenge but we have held our events within CDC and PA Dept. of Health guidelines to enjoy the hobby we all hold dear. Thank you for your support! Next year's event dates are listed here. Buy admission tickets online now, register for showfields, call about vending spaces or even buy a gift certificates for the automotive hobbyists in your life. Along with next year's dates are snapshots of this year's events. We hope you will plan to join us in 2021.

REVITALIZATION PROJECT

Carlisle Events purchased the site of the former International Automotive Components (IAC) plant, located on Carlisle Springs Road, three blocks from the Carlisle Fairgrounds, in 2008.

The site was cleared, plans were made and approved, red tape was cut, roads and sidewalks were built and trees were planted.

Homewood Suites is taking shape! Soon to follow will be a full-service restaurant, apartment buildings, townhouses and more!
